

NDT
EQUIPMENT SERVICES LTD

ENVIRONMENTAL POLICY STATEMENT

It is our policy to ensure activities are managed efficiently to minimise any impact on the environment, as is reasonably practicable.

We will ensure that we comply with existing and future environmental legislation.

The company will manage its product range to ensure that all products in the range do not cause unacceptable environmental damage through its receipt, storage and disposal methods.

Wherever possible the company will seek to minimize waste through:

- Reduction of unnecessary consumption
- Purchasing and using recycled products and packaging for our own use
- Recycling used printing cartridges
- Re-using of packaging received.

Employees are actively encouraged to keep all waste to a minimum and recycle where practically possible.
